

## Statement of Origin

### Perfumers Alcohol

We confirm that the Ethanol used in the production of Perfumers Alcohol is derived from the fermentation of Sugarcane Molasses which is sourced from Pakistan.

---

**Comment:** Information on this specification is believed to be accurate at time of print and is given in good faith. It is however for the customer / end user to satisfy themselves as to the suitability for their own particular use. Accordingly, Neutrino Retail - Cosy Owl and its affiliated companies, give no warranty as to the fitness of the product for any particular purpose and implied warranty or condition (statutory or otherwise) is excluded, except to the extent that such exclusions are prevented by law. Freedom under patent or copyright and designs cannot be assumed.
